[livingdeadgirl\\_97](#) #ad He can't see you, but he can hunt you. This Friday the 13th, it's time to be afraid of the dark.

"Don't Breathe 2" is set in the years following the initial deadly home invasion, where Norman (Stephen Lang) lives in a quiet solace until his past sins catch up with him.

In honor of the films release, dig this DON'T BREATHE 2 promo package unboxing straight from Sony Pictures! Thank you guys so much for another insane package!
